JUVENTUS goalie Jack Reilly lies doubled up in agony after a clash in the match against Croatia as referee Bobby Lamb runs to his aid. Other players looking on are Juventus centre-half Jock Goodwin, forward Tommy McColl and forward Bob Connolly.

RETURN WASN'T HAPPY

WELSH forward Peter Davies, who played with Croatia last season, is back with the club.

He returned from the UK last week and went straight into the team for the game with Juventus at Olympic last Saturday.

It was not a happy return. Like the rest of his teammates, Davies never got into his stride and Croatia went down 1-2.

Davies was obviously feeling the effects of the long trip.

But he showed some nice touches and will go much better when he settles down.

MOVE ON BASHERS

VICTORIA'S soccer bashers may soon face stiffer penalties.

There is a move for changes to bring the working of Victorian disciplinary bodies into line with the international methods used in most big soccer countries.

The first step will be a meeting between the Victorian Soccer Federation board and officials of the State League and Metropolitan League disciplinary committees to clear the air and decide on a uniform procedure.

The VSF wants to adopt the European system, under which the referee's word is law and any player sent off is automatically guilty of an offence.

There is no question of a defence at the disciplinary hearing. This is used only to decide the severity of the sentence.

In Victoria this season some players have received reprimands after being ordered off on serious charges. In one case a charge was dismissed.

This nullifies the decision of the referee—who should be the sole judge—and makes a farce of the whole thing.

VSF deputy chairman and publicity officer, Mr. John Gorton, said: "We feel we should follow the international interpretation of the law, this being that a referee finds a man guilty and the tribunal decides punishment.

"Until we do something about this the efforts of our whistle men to keep the game clean are being wasted."

Mr. George Pedler, president of the Australian Soccer Referees' Association, and the Victorian Division, said:

"We are not happy with the position and would welcome any move to straighten out things and remove the anomalies.

"I hope to attend the talks as representative of our association.

"We feel that our authority on the field is being undermined by lack of support at disciplinary level.

"We found that in many cases our men were being involved in long, drawn-out discussions at the hearings, so we stopped attending.

"I have not been to Europe, but I am told the system there is straightforward, with the referee deciding if a man is guilty and the tribunal meting out the penalty.

"I can see no reason why this system could not operate here, and I am hopeful that it will be introduced."

OFF FIELD, BUT STILL GOT HURT

LIONS have got two of their regulars, forward Jimmy Anderson and Ricky Van Zeist, laid up through injury—off the field!

Anderson was taken to hospital after cutting a leg muscle when he fell with a bottle. He could be out for a couple of months.

Van Zeist suffered concussion when he fell down some stairs, but he hopes to be back in action soon.

Two youngsters have stepped into the team, Mike Bartly, who was signed from Mooroolbark, and Ken Patterson, son of Ken Patterson, Sen., the club's coach.

HELLAS MAN

Hellas have signed another defender. He is Derek Parkes, 26, a centre-half, who played with Cliftonville in the Irish League first division. He arrived last week.

Break keeps dick out

HELLAS goalie Dick Stevens, who broke two fingers in the game against George Cross recently, will be out of the game for another four or five weeks.

Stevens, 21, joined the Middle Park side about 10 months ago and has turned in some sterling performances between the sticks.

Before coming to Australia he was on the books of Aston Villa for three

JUVENTUS forward Dino De Marchi drove his team into attack with this kick during the match against Croatia. Croatia forward Horst Rau is on the left, with referee Bobby Lamb in the centre.

JOHNNY BACK IN THE FOLD

THE trouble between Hellas and Victorian star Johnny Bedford and the Greek club's coach, Manny Poulakakis, has been smoothed over.

At one stage it looked as if Bedford, suspended during the row, would part company with the club, which he joined some years ago from Box Hill.

But now the quarrel has been patched up, the suspension lifted, and Bedford is back in the fold.

We may see top player

BENFICA star Eusebio, who may play in Melbourne later this year, is rated by many experts to be the best player in the world — worth at least half a million dollars on current values.

A unique soccer brain, dazzling ball control and a thundering shot combine to make him a feared attacker who can change the fortunes of a game in a flash.

Benfica star Eusebio, who could be seen in action later this year.

Eusebio — his real name, Eusebio da Silva Ferrerio, is too much of a mouthful for the fans—took over as the new "king" of world soccer in the 1966 World Cup finals in England.

Playing for Portugal, he grabbed two vital goals — a flying header and an unstoppable shot—to help his team down the fancied Brazil and steal the thunder from another African ace, Pele, the idol of the Brazilian fans.

Pele never got going, was injured, and finished up a hobbling passenger on the wing.

Many of the fervent Brazilian fans wept as they watched the downfall of their champion.

Eusebio, now 28, was born in Mozambique, Portuguese East Africa. He went to Portugal in 1960 and soon won fame as an inside-forward with the crack Benfica side.

He will play here if the Australian Soccer Federation and Benfica agree on terms for a short three-game tour, possibly in August.

The ASF will press for the inclusion of Eusebio and other stars, such as Torres and Colluna, in the squad.

If they do come, Benfica will play against State

The tour would cost the ASF about $30,000.

A decision on whether Benefica will accept the Australian terms for the tour is expected soon.

Wal Bates (Melbourne) has stepped into the job temporarily until the next annual congress in Adelaide

THEY HAVE TO MISS

HAKOAH half-back Hugh Murney, who is sitting it out with a broken wrist, is not likely to get back into the fray for about another fortnight.

Another Hakoah-ite now in plaster is winger Gordon Cameron, who cracked a small bone near his ankle in the game with J.U.S.T.

He, too, will be missing for some weeks.

PRESIDENT HURT

Box Hill president Haydn Sidebottom was seriously injured in a car smash last Thursday night. He is in Box Hill hospital.

George Yelland looks at State League form

J.U.S.T ARE ON TOP

A LAST-MINUTE goal by scoring ace, Buljevic, put Footscray-J.U.S.T. on top of the State League ladder last Sunday.

Fiery incidents at the week-end resulted in marching orders for four players. Apparent leniency at disciplinary level seems to be interpreted by certain players as open season for violent conduct.

Results, generally, were predictable, but several games produced thrills and excitement for the fans.

Polonia and Hellas provided one of the most crowd-pleasing games seen in Melbourne for years.

Goals again were plentiful and followers of the code received value for money at most games.

JUVENTUS 2 (Di Marchi, Robertson), CROATIA 1 (Irvine, o.g.). Referee: Mr. R. Lamb. Olympic Park. Crowd 3429.

A scoreless first half, marked by missed chances and indifferent football, was followed by an incident-packed second term.

Juventus took a fortunate lead when Kovacek failed to hold a low, hot drive by Thompson and Di Marchi was on hand to slam the ball home.

A first-half injury to Jimmy McKay caused his replacement by Adlam after the interval. An unnecessary foul by goalkeeper Kovacek on Thompson led to Juventus' second goal. Robertson scored easily fromed the spot kick.

Seventeen minutes from time, international linkman Tommy McColl was sent off for kicking McArthur.

Excitement burst into the the game as a terrific shot from Adlam hit the post, rebounded on to pivot Irvine, and into the net.

Croatia fought hard to snatch a point, but Juventus held on and scraped home to an odd-goal victory.

Without the genius of Jimmy McKay, Croatia's forward line didn't click. Davies, returned from overseas, led Croatia's attack well, but was off target with his final shots.

Duncan McKay, Billy Vojtek, Williamson and Horst Rau were prominent in an out-of-form team.

Juventus were not convincing, but are developing into a solid combination, with eyes on League leadership. Sonsini, Gentry and Irvine formed a solid defence. Goodwin, Connelly, Thompson and Robertson were often prominent in mounting stacks.

HAKOAH 2 (Fry, Clarey), RINGWOOD CITY WILHELMINA 1 (Steele). Referee: Mr. J. Dixon. Middle Park. Crowd 1020.

Rugged defensive cover and better finishing gave Hakoah victory over top team Ringwood City.

On balance there was little to choose between the sides. Hakoah's replacements for injured stars Van Alphen, Murney, Cameron and Armstrong, performed with great credit. Gadsby, Lapish, Clarey and Thomas are young players maturing under the guidance of captain Alan Stenhouse and big John O'Neill.

At interval Hakoah led 2-0, although Ringwood had the balance of first-half exchanges. Time and time again Ringwood's forwards broke through, but could not get the ball into the net.

It was only in the very last minute of play that Syd Steele managed to force the ball home from close range.

The game was full of incident and kept the crowd on its toes to the final whistle. Ringwood must improve their finishing if they are to regain League leadership.

BOX HILL 1 (Cole), LIONS 3 (Horner 2, Murney). Referee: Mr. G. Pedler. Wembley Park. Crowd 453.

For 45 minutes Box Hill appeared capable of winning this game. Newcomer from Hakoah, Jimmy Cole, inspired them with an early goal, but they allowed an indifferent Lions to equalise and then forge ahead.

Colin Horner equalised Cole's early goal after 39 minutes, and notched another just before time. Coming from Metropolitan soccer, Horner is doubtless a [illegible] head. His goal tally is mounting steadily week by week.

Jimmy Smart put in much effective approach work, but on Saturday his finishing was woeful.

Lions missed the drive of Anderson and Van Zeist, who were both injured last week in home acidents.

Box Hill will have to do something about their forward line. Players like Jimmy Millar, of Juventus, are on the side line awaiting transfer. Box Hill might make a bid for such men, who have plenty of energy and top-class experience.

Lions won comfortably in the end, but were not impressive.

POLONIA 2 (Adamczyk, Kowalec), SOUTH MELBOURNE HELLAS 6 (Gorrie 3, Orlinski, o.g., Ackerley 2). Referee: Mr. S. Mellings. Maribyrnong. Crowd 3480.

Goals, thrills, end-to-end soccer. This game had the lot.

Clear winners, Hellas did not have it all their own way.

Twice rasping shots hit the woodwork, and once goalkeeper Pavlas stuck his leg out to divert a Gajda express which looked a goal all over.

Early exchanges gave no indication of the goal avalanche to come. Polonia arrived at the interval a goal down, but might well have been in front. The second half was a different story.

Their overworked defence was powerless to halt South Melbourne's goal [illegible] special mention. Cool, powerful, intelligent and direct, he is the complete footballer. He scored a hat-trick and might easily have doubled it. His second goal will long be remembered by all who saw it. Moving at high speed he unleashed a terrific, oblique drive from 30 yards which rocketed into the far corner of the net.

Polonia played with much more skill and determination than the score suggests. They broke their goal drought and should soon be on the winning path.

GEORGE CROSS 3 (Vella 2, Gardiner), PORT MELBOURNE SLAVIA 0. Referee: Mr. L. Stafrace. Olympic Park. Crowd 1611.

A very poor first half was followed by a George Cross revival, in which they clearly defeated Port Melbourne.

Young Charlie Vella is developing along Brian Adlam lines into a first-class goal poacher. He converted two fine crosses from Archie Campbell, and must delight Cross fans by his intelligent and forceful play.

Gardiner replaced John Robertson during the second half. Within 10 minutes he scored a fine goal with a 25-yard scorcher which left O'Hara helpless.

Slavia were poor throughout. Ian McDonald started in goal, but was injured in a first-minute clash with McCallum. He was replaced after 10 minutes by O'Hara.

Johnny Sanchez was the schemer behind Cross's victory and Archie Campbell [illegible] Alastair Scott and Bill McGowan outstanding. Youngsters Johnny Wallace and Jimmy Rodgers gave good accounts of themselves.

MELBOURNE 2 (Scott, pen., Rogers), FOOTSCRAY J.U.S.T. 3 (Buljevic 2, Zorja.) Referee: Mr. R. Randall. St. Kilda. Crowd 2180.

A good first half, in which Buljevic scored the only goal, was followed by an explosive second record.

Goalkeeper Marco Sode (striking), Milan Mihajlovich (kicking an opponent) and John McDaid (kicking an opponent) were sent off by referee Mr. Bob Randall in the second half.

Footscray's superior midfield play, plus the opportunism of Buljevic, were just too much for Melbourne. Footscray just deserved the points

Melbourne's young side fought every inch of the way, with Ian Shanks, [illegible] man on the ground, they possess a match winner.

This game was in all respects a thriller. Only in the last minutes did Footscray manage to score the goal which puts them on top of the ladder.

JUVENTUS half-back Jock Goodwin (left) got this kick in the match against Croatia. Others in the picture are Croatia players Horst Rau (behind) and Brian Adlam (front), Juventus centre-half Alex Irvine and Juventus forward Bob Connolly.

CLASH WAS EXCITING

STATE SQUAD IN TRAINING

The Victorian State squad started training again this week. Coach Zvonimir Rasic put them through their paces at Olympic Park.

So far this season the team has played two games, going down 1-4 to New South Wales and beating South Australia 3-0.

Now they are preparing for the return games and the big clash with Greece.

Thrills in store for fans

ANOTHER thrill packed weekend is in store for Melbourne's soccer public.

Injuries and possible suspensions could have a marked effect on results. Only two games look to have assured outcomes.

Lions meet Polonia at Montgomery Park.

With Anderson still out, but with Van Zeist likely to return, Lions could win. Horner is becoming a real threat to opposing defences. He makes the habit of scoring regularly.

A touch of uncertainty in defence could be Lions' undoing.

Polonia showed up well last week, despite conceding six goals to a rampant Hellas. This will be Norbert Gajda's last game in Australia before returning to Poland.

The rough, sloping ground at Montgomery Park will not suit Polonia's style, but neither does it help Lions' ball-playing stars Rooney and Smart.

A division of the points is likely.

Ringwood City will have no easy passage against Melbourne at Jubilee Park. Melbourne are young and mobile. They never give up.

Ringwood's defence is usually superb, having conceded goals in only two games. It might be ominous that one was against Box Hill a fortnight ago, and two in last week's game against Hakoah. If they can produce a better finish and tighten the rearguard a litle more, I think Ringwood will win, but it will be a close contest.

George Cross should have no difficulty in defeating Box Hill at St. Kilda on Saturday.

They must, however, bear in mind that performances like the first half at Olympic Park last Sunday could spell disaster.

Box Hill are not a classy side, but they are fit and go flat out. Their defence is not easily penetrated, for pivot Young and wing-half Brownlie are definitely State League men.

South Melbourne Hellas and Hakoah meet in the Middle Park Derby game on Sunday. This is the game [illegible] cious and superbly fit. Their defence is not easy to penetrate.

Hellas, on the other hand, are in full flight.

Gorrie is in top form and merits a berth in the State squad. More important, perhaps, he is worthy of inclusion in the national squad. I rate him as one of the best inside-forwards I have seen in Australia.

Footscray J.U.S.T. and Juventus is always a tough battle. The outcome this time could be a draw. Juventus are developing into a sound combination and are steadily forging upward.

Croatia should have no problems in defeating Port Melbourne Slavia at Olympic Park on Sunday.

FITNESS WAS TESTED

ABOUT 80 whistle men came out with flying colors after the recent compulsory training program staged by the Victorian referees' body.

The scheme, which ran for about 12 weeks, tested the referees' fitness to the full. It involved covering 15 laps of a 440-yard circuit—running, walking, and sprinting—in a stipulated time. The average was about 32 minutes.

President George Pedler said: "This is no great athletic feat, but it helped to build up the men's stamina for a 90-minute game. We were happy with the response to the scheme."

The referees aim to keep the edge on their fitness. Many of them now turn up once a week for voluntary work-outs at the National Fitness Gymnasium in Collins St.

Last season 23 grade one referees were in action, but the number dropped to 12 this term. Some resigned and some have been downgraded.

A drive is on for new members and a school for referees, running over six weeks, will start on Friday this week.

After the six-weeks' course the newcomers will face an examination and, if successful, will get class III certificates.

Anyone interested in the course should contact George Pedler on 64-3368 (day) or 96-2413 (evening).

HELP FOR COUNTRY PLAYERS

STATE LEAGUE side Melbourne are busy grooming youngsters in their own first-team line-up, but they have found time to help other clubs.

Last week they sent about half a dozen players to Ballarat to give a training exhibition for the benefit of the third division men and other country club players.

With them went coach George Buttas to organise the show and demonstrate some of the finer points of coaching.

Melbourne chairman Mr. Tom Markus said: "The idea of the visit was to try to help country soccer.

"We are glad to pass on any tips we can, and hope that they were able to learn something from our methods.

"We believe the bigger clubs can boost the game in this way and we are prepared to visit other areas."

Mr. Matt Agatity has been appointed team manager by Melbourne. He takes over from Mr. Bob Armstrong, the former referee, who has moved to Queensland.

Mr. Agatity, former assistant secretary of the club, has been with Melbourne for several years.

Tour program has changed

THE program for the Greek national team tour here in July and August has been changed to include games against State teams.

The Greeks now will play seven games, including three full internationals in Melbourne, Sydney and Brisbane.

The original arrangements listed four internationals.

The Victorian State team will meet the tourists at Olympic Park on August 10.

The full program is: July 19, in Sydney, Australia v. Greece; July 23, in Brisbane v. Greece; July 27, in Melbourne, Australia v. Greece; August 2, in Sydney, Greece v. New South Wales; August 7, in Adelaide, Greece v. Australian XI; August 10, in Melbourne, Greece v. Victoria; August 13, in Perth, Greece v. Western Australia.

New players to boost Hellas bid

HELLAS, who are set on making a strong title bid this year, have signed five new men from Greece.

They are Athanasios Tavlas, a goalie who played with Athinaikos; Jim Panagiotou, a centre-half or centre-forward, from Kifisisia; Demostenis Kalogerou, full-back, from Ethnikos; Georgios Panagiopopoulous, winger, from Ilisiakos; Eleftherios Asimomitis, goalie, from Piraiko.

Division One Alexander, who will be strong contenders for a quick return to the State League, also have brought five men from Greece.

Good form earns place in squad

FOLLOWING his good showing for Victoria in the 3-0 defeat of South Australia recently, J.U.S.T. half-back Billy Rice has been included in the Australian squad preparing for the games with Greece later his year.

A three-day training camp for Australian squad members from Victoria, South Australia and Northern New South Wales will be held in Melbourne next Monday, Tuesday and Wednesday.

A similar workout for men from Sydney, Brisbane and Newcastle was staged in Sydney early this week.

After the camps national coach Joe Vlasits will cut the original squad of 40-odd to about 25.

The final squad will get together at a camp at the Swedish Sports Centre in Sydney about 10 days before the big games with Greece.

Goalie Zenon Golonski warms up before last week's match. Very few goals get past this alert goalkeeper. In the first four games he let in only four goals. Last Saturday's result against Springvale was a 0-0 draw — Keilor City's second for the year. Keilor's eyes are on the State League next year.

not even had a player cautioned in the past three years, say officials.

Coach Marian Gasior, the former Polonia player, puts the accent on fitness. He keeps the boys on their toes all through the season.

Keilor splashed out $1400 to have flood-lights installed in 1967 and another $400 went on ground improvements, including resurfacing and seeding for this season.

There is good accommodation for players and officials, with hot and cold showers. The club's next move, when cash is available, will be to build a stand for the faithful supporters.

This, then, is the success story so far of Keilor City, a team which has its sights set on the State League. And these are some of the players who will be all out to put them there:

ALEXANDER GET A CLEAR LEAD

By ALISTAIR COOK

ALEXANDER, with a convincing win over St. Albans, now head Keilor City by one point and a superior goal average in Metropolitan First Division following Springvale's no-scoring draw with Keilor.

Elwood's slip at home put Dandenong right behind Keilor, and at the bottom of the Division, St. Albans, following their loss, are still pointless.

Alexander did not have it all their own way in their 3-0 win against St. Albans.

In a scoreless first half, in which the St. Albans goalkeeper saved everything in sight, the Greek side failed to show their class and were a worried team at half-time. But five minutes after the interval, right-winger Jimmy Mangopolous, who returned after a long absence because of injury, put them ahead from close range with a good shot.

Mangopolous again came into the picture seven minutes later, when another good shot of his deflected off a St. Albans defender and into the net for Alexander's second goal.

Despite their team building problems, Springvale put up a good show in holding Keilor City to a 0-0 draw.

Springvale, despite their performance against Keilor, are desperate for a good goalkeeper following the injury against Dandenong of Aldo Comin.

Keilor City were well on top in the first half, but their forwards again failed to produce winning form when they missed a number of scoring chances.

The Springvale defence recovered well through the good play of Norm Edgar, and the second half saw them easily holding Keilor's forwards, while their own attack proved a danger.

Dandenong City jumped a place in the Division by easily defeating Elwood-Austria 2-0 in a disappointing game.

FASTER

Dandenong were the fastest side to the ball and they showed that they will still be a team to be reckoned with when the promotion issue is decided at the end of the season.

Sunhine City, despite the return of Johnson and McCurry, drew 1-1 in a game with Preston-Makedonia.

Outside-left Pietowski scored early in the game for City and they were well on top, despite a missed penalty kick by the Preston side.

Ian Gow was the star player on the field for Makedonia and he ended Preston's hopes of both points when he equalised two minutes from the end with a clever shot.

Coburg widened the gap from the foot of the Division when they scored a surprise 3-2 victory over Ringwood United.

Former Lions' player Graham Watson took advantage of an unsettled Ringwood defence to put Coburg ahead in the first minute, and centre-forward George Malcolm added to his side's tally in the 14th minute.

Ringwood fought back from this early slump, and six minutes later Bens reduced the leeway from a penalty kick.

PRESSURE

Despite missing several good chances United piled on the pressure in attack and this was rewarded soon after when Tilburg equalised to make the scores level at half-time.

Coburg missed a penalty kick in the 63rd minute through Bobby Malcolm, but brother George made amends four minutes later when he crossed the ball hard and Robinson deflected the ball past his own goalkeeper to give Coburg a narrow win.

SECOND DIVISION

Waverley became top team in Second Division after Athena were held to a draw at Prahran.

Leaders Waverley were pushed hard to defeat the determined Moreland Thistles 2-1 in a hard-hitting game.

Moreland started the game full of fight and a fine bit of play by captain Herb Pilson and Ray Evans at the 35-minute mark put the player Tiddy Beier in the clear, and the tall centre-forward slammed home a great shot.

Fifteen minutes after half-time Waverley equalised when a free kick found Ted Quy, and the Waverley inside-right scored with a tremendous 30-yard shot.

Moreland were tiring after their good performance in the first half, and it was not long before a cross by Colin Waller was headed home by Waverley centre-forward Sammy Jordan, to give his side a narrow win.

Prahran City provided another high-scoring game when they fought out a 3-3 draw with Brunswick Athena.

Athena took the lead after ten minutes to give them plenty of confidence in the early stages, but 20 minutes later Prahran's scorer, Steve Freund, ran 30 yards before equalising with a good shot.

After half-time, Bihary put Prahran ahead from a penalty kick, but this lead was short-lived when Johnny Margaritis also levelled the scores from the penalty shot.

Richmond, after a poor first half, scored a comfortable 4-1 win over Ferntree Gully. Ferntree Gully shocked the experienced Richmond when an error by centre-half Press, allowed a Gully forward to easily score after five minutes.

Richmond were still a goal down at half-time and not until outside-left Guenter Weiland scored two goals well into the second half did they look like winning.

Further goals by Horst, Gwinner, Brent and Press before the final whistle showed Richmond's over-all superiority.

Frankston scored another valuable win with their 2-1 victory over Sandringham in an even game.

Centre-forward John Walton turned in another scored both Frankston goals in the first half, to give his side a commanding lead. But in the second half Sandringham took advantage of an over-confident Frankston side to reduce the leeway and only good play by Bartley in goal for Frankston prevented them from at least sharing the points.

After a slow start Albion Rovers went on to crush the unfit Park Rangers 4-1.

Bobby Whiteside made a welcome reappearance for Rangers at centre-half and with them showing good form it was not surprising to see inside-left Jim Ackers track the ball home after three minutes, following a neat pass by Frank Gorman.

Although Rangers' forwards kept Rovers' defence busy in the early stages, Benny McQuillan equalised after 28 minutes to make the scores level at half-time.

THIRD DIVISION

Brighton go from strength to strength as the only side in the Metropolitan League with maximum points from all games after their 3-0 win.

East Melbourne Helvetic remained Brighton's main challengers when they defeated Bayswater 3-1.

Writer Kuehen gave the East Melbourne side the lead after seven minutes, but Bayswater equalised in the 22nd minute, when they scored from 10 yards.

Two minutes later Stefan Pest restored Helvetic's lead and in the 74th minute Kuehen scored another to put the issue beyond doubt.

St. Kilda again proved to be a powerful combination in their 4-1 win over Croydon.

Croydon did not give ground easily, and it was not until well into the second half that two goals in two minutes by outside-left Bill Wym and Klausen gave St. Kilda the lead.

Clayton and University each gained another point from their 2-2 draw at Clayton.

FOURTH DIVISION

Big news from this Division was the win by Rosebud, which lifted them off the bottom of the ladder and handed that spot over to Mornington.

Mooroolbark continued at the top with a slender 1-1 win over Western Suburbs.

Vlado Klepac paved the way for a good goal by Robert Ryff after 60 minutes for Mooroolbark, and fine play by the Western Suburbs' goalkeeper prevented any further goals for United.

Fitzroy's shock defeat

By RICK LAVALE

Last Sunday's District League matches saw Fitzroy lose its undefeated record in a shock Nil-1 loss to Keon Park.

This has now evened up the position at the top of the Central Division and brought Keon Park and Anstey right back into the picture.

The big crowd saw Charlie Rizzo score the only goal of the game from 20 yards out midway through the first half, to give Keon Park two very valuable points.

Fawkner, who are looking for a top-class goalkeeper, came from behind to defeat West Preston 5-3.

Although 0-2 down at half-time, Fawkner's superior foni 2, Cosmano 2, and de Lolio.

Garden City kicked the highest score of the day, when they coasted home to a 7-0 win against unpredictable Yarraville Goals for City were scored by Pagonis 3, Tsikis, Faradou, Katergaris and Honos.

At Moorabbin, the game between Cheltenham and Hawksburn saw plenty of action, with one player being sent off and six cautioned by the referee.

Winner Peter Kountid gave Cheltenham the lead, but Hawksburn made the final score 1-1 when their captain, M. Prerecz, made no mistake from the penalty spot.

QUICK

At Lawton Park, Langwarrin were defeated 4-2 by Chadstone, who scored their goals in two quick bursts. Chadstone's Tommy Doolan and Alex Fox scored twice and Doolan's first goal brought a roar from the crowd of 200 as he smashed the ball home from an acute angle.

Langwarrin fought back late in the game with a goal from Derek Hamilton and a penalty from Barrie Bolton to make the score look more respectable.

Power side Kingsville had a bye last Sunday, but thrashed First Division side St. Albans 9-2 in a friendly game, and this indicates clearly the strength of District League teams.

The Pascoe Vale v. Carlton game was postponed due to the death of one of the Pascoe Vale players on Saturday.

South Dandenong were untroubled to beat Frognall. South opened their score after only two minutes and were in command all day. Their goals were scored by J. Karagiannidis 4 and A. Boorsma 2, while Frognall replied through Henson and Fenton.

In a close and defensive game, Regent went down 0-1 to Elsternwick, who have gained star inside-forward Vero Mladenovic from J.U.S.T. During his career with J.U.S.T., Mladenovic danger to the higher teams in the Central Division.

Ardeer pleased their supporters with a fine 3-0 win over plucky North Altona. After a quiet and scoreless first half, Ardeer rattled on three goals through R. Bodriony 2, and R. Klinczak, and although North Altona fought back, they could not penetrate the strong Ardeer defence led by Cecil Sady.

SELECTIONS: Eastern Division — Langwarrin, Chadstone, Northcote City, Frankston Pines. **Central Division** — Anstey, Middle Park, Elsternwick, Keon Park. **Western Division** — North Altona, Pascoe Vale, Garden City and Yarraville.

NZ TEAM TO TOUR

By JOHN ROBB

An under 14 club team from Kawerau, New Zealand, will arrive at Essendon Airport on Sunday.

Altona and Corio Soccer Clubs will be hosts to a party of 17 boys and three officials who are making this historic visit to Melbourne at a cost of more than $3500.

This money was raised by the efforts of the boys.

A full itinerary has been arranged for the officials, Mr. and Mrs. Allen and Mrs. McFarlane, and boys Ian Allen, Pekka Paavonprea, Greg Jones, Allen Jenkins, Peter McFarlane, Kenneth Lewes, Mark Anker, Hannu Vutakangas, Billy Innes, Richard Hoskin, Robert Hawker, Steven Casey, Stanley Powley, Noel Hawgood, Andrew Parker, Ismo Torueliienen, Steven Raynes.

Their tour starts off with a match against a Western Suburbs select team at the Kim Reserve, Altona, next Tuesday, at 2.30 p.m.

Later in the evening, they will atend a reception given in their honour by the Altona Council.

On Wednesday the Altona club has arranged a visit to the Vacuum Oil Company's plant, whilst on Thursday the Corio Club take over the role of host, when a visit to the Ford motor works at Geelong will precede a 2.30 p.m. game against the hosts.

May 17 will see them returning to the Kim Reserve, when Altona will supply the opposition and a party later in the evening.

Efforts are also being made to match this enterprising team with the Victorian State team as a wind-up to what should be a very successful tour.

The selectors of the Under 14 squad were pleased with the big turnout of boys this week. It was also pleasing to see Mr. John Gayet, who, in addition to bringing a car load of boys from the Latrobe Valley, assisted in the task of refereeing the games.

Clubs are reminded that this Sunday the training will take place at the Croatia grounds, Yarra Park, at 10 a.m.

Because of certain difficulties experienced in ringing through the results, from this week club secretaries are asked to ring 560-0574 between 6 and 8 p.m. Sundays. This number will be in operation until the end of the season.

A MANAGER'S REWARD - $450 A WEEK

Promoted second division side Derby County have rewarded manager Brian Clough with a five-year contract that lifts him into the super $450 a week bracket.

And Peter Taylor, his right hand man ("the best in the business", says Clough) also gets a long-term contract that will net him close on $10,000 a year.

It is a case of double-your-money for both men as Derby bounce back into top company in division one after an absence of 16 years.

Clough and Taylor took over at Derby in 1967 after the Baseball Ground side had finished sixth from the bottom of the second division the previous season. Average gates were then below 15,000.

Now attendances have soared to an average 28,000. A new stand will lift ground capacity to 40,000 and there is already a waiting list of 10,000 for season tickets.

Clough's $20,000-plus salary makes him one of the top five managers in the country.

WORTH IT

Derby chairman Sydney Bradley says of his two team bosses: "They are worth every penny of it. It shows our confidence in them for the future."

Clough, a straight talker, shows the same dogged determination and toughness as a manager as he did in his playing days.

He starred as a Middlesbrough and England centre-forward and the Ayresome Park fans will long remember his goal-busting displays.

His tough approach to the game brought a revolution to Derby and lifted the club out of the obscurity into which it had fallen after many years as a top glamor side.

Clough's real masterstroke in the Derby facelift was the signing of veteran Scottish international half-back Dave Mackay from Spurs.

The tenacious Mackay, one of Britain's best players, made the move after nine glorious years with the London club, during which he twice came back after breaking a leg.

He is of the same hard mould as Clough. Although nearing the end of his career his great soccer knowledge made him the "general" of the young Derby players as they made their all-out promotion bid.

Now Clough, Taylor and Mackay, a triumphant threesome, are looking to more glory in the cut-throat division one, where there is no place for the weak.

Mick puts best head forward . . .

Leeds centre-forward Mick Jones, a $200,000 man, is one of the best headers of the ball in the game, but often he is not satisfied with his efforts.

He always feels he can get his timing with cross balls better. The result — he spends plenty of extra hours in intensive training.

There is a lesson here for many young players who think they know everything and never offer to do special training to cure a weakness in their play.

"Cap" makes it tough

Life gets harder for a player after he has been awarded an international cap, says Arsenal manager Bertie Mee.

"He becomes a marked man because there is a greater incentive for an opponent when facing a current internationalist."

Bertie should know. Two of his players, full-back Bob McNab and forward John Radford have won England caps this season.

LEARNING FROM TV

CARDIFF CITY manager Jimmy Scoular admitted recently that when starting their division two promotion bid — unhappily it failed — his team watched the supremely professional Leeds United on television.

"And, you can take it from me, we picked up plenty of tips," says Scoular.

"You can always get ideas and learn a few things from watching other sides, even on television. Leeds are a good side to watch and copy."

This did not mean that Cardiff had modelled themselves on Leeds. But they had incorporated some of the Leeds ideas into their own game with good effect.

Jubilant Crystal Palace spectators invaded the pitch at Selhurst Park after their team had defeated Fulham 3-2, to promotion to Division One. One spectator is pouring a bottle of champagne over a Palace player.

LEEDS HELP YOUNGSTERS

The go-ahead Leeds United, who have just clinched the English division one championship for the first time, are still planning for the future.

In recent years they made major ground improvements — extra seats and a huge covered enclosure — and there is more to come in this line.

The next new venture, aimed at ensuring continuing support, could be a boys' enclosure.

Manager Don Revie, one of the most business-like of Britain's soccer bosses, says:

"It has been talked about at length and it's on the cards we may do something about it pretty soon.

United will work closely with the education authorities in the city to launch the scheme.

Badges or passes will be issued to youngsters who are confirmed Leeds supporters. This will entitle the lads (or lasses) to a place in their own part of the ground.

And, the club feels, if any of them caused trouble, it would not be difficult to withdraw the right.

Says Revie: "We are thinking of young people in the 13 to 16 age group, though we haven't finished our plans in this direction yet.

"As things stand at the moment many parents won't allow their children to come to soccer matches in case of trouble on the terraces. This enclosure should end their worries."

TRIBUTE TO A FORWARD

Fulham, the London club which has taken the big slide from division one to division three in successive seasons, paid a farewell tribute to one of their greatest players recently.

They staged a special testimonial match for Johnny Haynes, their ace inside-forward and former England skipper, who has spent his 19 soccer years with the Craven Cottage club.

Haynes, a brainy, smooth-moving player, was the idol of adult fans and wide-eyed youngsters alike. His strongpoint was his ability to place defence-splitting passes almost on a sixpence.

Now Fulham have rewarded his long service by giving him a free transfer.

This means that, in his last years on the field, he can negotiate a lucrative short-term contract with the club of his choice.

Clubs in Australia, America and South Africa are reported to be ready with tempting offers, but he is likely to stay in England.

Brighton are reported to be keen to sign him as anchor man for their side.

POOLS CUT HITS THE SMALL CLUBS

The smaller outfits among the English League's 92 clubs are likely to be hit by a big cut in the League's annual handout.

Last term each club received about $20,000, a life-saver for the small fry carring heavy bank overdrafts.

This season the League's rake-off from the Pools promoters for fixture list copyright is almost certain to fall well below last season's figure.

Pools revenue has dropped, with fewer punters sending in coupons following the large number of drawn games. Main dividends have been split among many winners.

Taffy on Pools

With only two weeks of Australian soccer, it is again a big pay-out.

There were only 10 draws on the coupons last Saturday. They were: Two in N.S.W., five in Victoria, two in South Australia and one in West Australia.

The balance of the coupons was made up of 21 Aways and 24 Homes.

The fall of the draws may look to favour the perm. punter with three in a row and two pairs, but because of the distance of the others, perm. punters will be disappointed.

Here are the dividends, in sterling currency, for Saturday, April 26, when there were 11 draws.
